

## Transform Students' Lives as a Minds Matter Volunteer

**The Program.** Minds Matter serves nearly **700** motivated students in **12 cities** nationwide (with a 13th chapter in Detroit, MI coming September 2016) and pairs them with volunteers committed to helping them achieve their academic and personal goals. The program provides:

- Academic mentoring
- SAT/ACT test prep
- Writing and critical thinking instruction
- Access to prestigious summer enrichment programs
- Guidance through the college application and financial aid processes

### Minds Matter Helps Students Succeed.

Thanks to the work of our dedicated volunteers, Minds Matter is transformative:

- **100%** of Minds Matter students gain acceptance a 4-year college or university
- **>70%** of students attend *Barron's* Most, Highly, or Very Competitive schools
- **>90%** of Minds Matter graduates 28 and older hold a bachelor's degree or higher

**Why Volunteer?** When you become a part of our national network of community leaders, you gain access to:

- Leadership and professional development opportunities
- Networking and social activities
- Meaningful experiences and lasting relationships with students

**Make a Lasting Impact.** You can make a difference in many ways:

- **Instructor:** Help students build writing skills or lead structured test prep and math programming
- **Mentor:** Support students with summer program and college selection processes
- **College or Career Coach:** Represent Minds Matter at college fairs, review resumes, or help students build networking skills
- **Board Member:** Guide a chapter's vision, operations, marketing, and fundraising
- **Executive Committee:** Put your skills in marketing, finance, fundraising, and leadership to use as a member of chapter leadership.
